## **For Immediate Release**

Huntsville, TX  
June 30, 2010

### **FOR IMMEDIATE RELEASE**

The independent film, *NAKED HORROR: Celebrity Edition*, has been accepted as an official selection to be screened at the 2010 Fright Night Film Fest which will be held in Louisville, KY from July 30 - August 1, 2010. The movie features Lloyd Kaufman, legendary cult film icon; Bill Johnson, who played Leatherface, in *The Texas Chainsaw Massacre II*; and Sandy Kellerman, who appeared in George Romero's, *Land of the Dead*. Ford Austin, the prolific independent film producer, was instrumental in making the project a reality. *NAKED HORROR* is produced by Gothic Films, a Huntsville, Texas-based independent movie studio which is owned and operated by Huntsville business leader, George H. Russell. ([www.gothicfilms.biz](http://www.gothicfilms.biz))

"The Fright Night Film Fest is one of the largest regional genre film festivals and we are proud to be a part of it this year," said Carlo Rodriguez, writer and director of *NAKED HORROR: Celebrity Edition*. "As independent film makers, we will get a chance to meet some of our idols in the horror genre at Fright Night Film Fest. Roger Corman will be there, among others, and the festival will also feature a reunion of the cast from the original *Dawn of the Dead*." *NAKED HORROR: Celebrity Edition* is the fifth project from Gothic Films/Ethician Arts, the completely independent Texas-based studio which also produced the award-winning feature films, *LONG PIG* and *NAKED HORROR: Art House Edition* and the award-winning short films, *PSYCHO KILLER ATTACK* and *MANIAC BLOODBATH*.

### **About The Fright Night Film Fest**

The Fright Night Film Fest was founded in 2005 with a mission to attract creative independent films and to introduce talented filmmakers to the masses. Complete information about the festival, film schedules, and events can be found at [www.frightnightfilmfest.com](http://www.frightnightfilmfest.com).

### **About Naked Horror**

Naked horror takes on a new meaning as a young woman finds her body and soul stripped bare when her dreams are invaded by a mysterious psychic force. Cursed with dreams of blood and mayhem, beautiful Priya faces a shapeless evil whenever she closes her eyes. Desperate, she tries to avoid sleep but soon she finds herself slowly going insane. Feeling isolated from everyone in her physical world, Priya turns to the Internet where she connects with other people from around the world who are experiencing the same thing. Together, they soon realize that the images they see at night are much more than dreams - they are windows into Hell itself. Faced with this evil supernatural threat, Priya vows to fight back somehow and escape from her naked horror.
